

**IN THE DRAWINGS**

Figures 1 and 2 have been amended to include a prior art legend as shown in the enclosed substitute drawings.

## REMARKS

This application is being filed concurrently with entry into the National Stage of International Application No. PCT/GB2004/003429 which claims the priority of Great Britain Patent Application No. 0319513.8.

This Preliminary Amendment was considered when calculating the filing fee. Accordingly, the total number of claims specified on the Transmittal Letter is 13 and the number of independent claims is 4.

The Specification has been amended to place the application in proper U.S. format. Headings have been added to each section. The Drawings have been amended to include a prior art legend.

Claims 1-12 remain in the application and claim 13 is new. Claims 1-12 have been amended to eliminate multiple dependencies in these claims and to place the claims in proper U.S. format. Support for new claim 13 is found on page 7 lines 14-29 of the specification as filed. No new matter has been introduced.

It is not believed at this time that any additional fee is due. As a precaution, the Commissioner is hereby authorized to charge to Deposit Account No. 02-2865 any additional fee required by this submission.

Respectfully submitted,
